COMMAND AND SAFETY ACCESSORIES

The command and safety accessories complete the installation and monitor its proper working state to give users peace of mind. The range of accessories made available by CAME meets all of the needs associated with different types of installations, in total compliance with European Standards and Regulations. The following pages are designed to guide and simplify the choice of accessories that best meet your system's needs. Included also is all of the technical information needed about CAME's vast range of products.

SAFETY ACCESSORIES

PRODUCT	CHARACTERISTIC	SERIES	TYPE	CODE		
Photocells	Flush mounting	Delta S	Synchronised infrared	001DELTA-SI		
		Delta	Infrared	001DELTA-I		
	Surface mounting	Delta S	Synchronised infrared	001DELTA-SE		
		Delta	Infrared	001DELTA-E		
			Dir	Synchronised infrared	001DIR10	
			Dir	Synchronised infrared	001DIR20	
			Dir	Synchronised infrared	001DIR30	
			Db	RX / TX cordless	001DBC01	
			Db	Repeater module	001DBC03	
			Db	Repeater module	001DBC04	
			Db	RX / TX cordless	001DBS01	
			Db	RX / TX cordless	001DBS02	
		Db	Transmitter module	001DBCT		
Sensitive edges	Mechanical	Df	Ready to fit	001DF15W		
		Df	Ready to fit	001DF17W		
		Df	Ready to fit	001DF20W		
		Df	Ready to fit	001DF25W		
		Df	To assemble	001TMF 009CM308D 009SC181		
		Df	To assemble	001TMF6 009CM308D 009SC181		
		Df	To assemble	001DFI		
Flashing lights	120 - 230 V AC	Kiario	LED	001KLED		
		Kiario	LED	001KLED24		
	230 - 120 V AC 24 V AC DC	Dadoo	Amber	001DD-1KA		
		Dadoo	Blue	001DD-1KB
